And the said persons when so appointed, shall be inspectors of the general and village election then next ensuing. And before entering upon the duties of their office, shall take an oath before some magistrate or officer qualified to administer oaths, well, and truly to discharge the duties of their office. And shall in all respects, as inspectors of the general election, conform themselves to the provisions of the existing laws for regulating elections.

And be it further enacted, that an election for village officers shall be held in each of the districts of the said village, on the second Tuesday of October in every year, at such places as the said Board of Trustees may appoint; and that all such elections shall be by ballot, and be held and conducted by the inspectors appointed to conduct the same, they giving eight days notice of the time and place of holding the same. At which election there shall be chosen for each of the said districts, by the freeholders and inhabitants residing within the same respectively, and who are qualified to vote at town-meetings, two Trustees, who sall be freeholders of the said village, and residents within the district for which they are chosen. And the legal voters residing within the said village, shall, at the said election, also choose by a general ticket, a discreet freeholder to the President of the said village, separate and distinct from the said Trustees; and also, three freeholders to be assessors of the said village; and every person offering to vote at any such election, shall, at the time of offering his vote, be an actual resident of the district in which the same is offered. *Provided* that the election for village officers, which by the existing laws would be held in the said village on the first Monday of May next, shall be held therein, notwithstanding the provisions of this act; and the President, Trustees, and Assessors, chosen at the same, shall continue to hold and enjoy their offices until, and including the last day of December then next ensuing; and the said village officers to be chosen at the election to be held therein on the second Tuesday of October next, and the officers to be chosen at every election thereafter, shall commence the duties of their respective offices, on the first day of January next following their election; and shall, and may continue to hold the same for one year from that time, and until others shall be elected and sworn in their places; and before entering upon the duties of their offices, shall severally take an oath, well and truly to discharge the same.

And be it further enacted, that upon completing the canvass of the votes taken at any such election for village officers, the inspectors of the same shall, thereupon, return and certify the number of votes given for each person, for each respective office, to the Board of Trustees for the time being, within ten days after such election; who shall thereupon declare the same within ten days thereafter, and give notice to the persons so elected of such their election; and the persons so elected, to each respective office as aforesaid, shall, within thirty days after such notice, take the oath herein before prescribed. And it shall not be lawful for any member of the said Board of Trustees to hold any office of profit or emolument under the said Board of Trustees.

And be it further enacted, that if there shall happen any vacancy in the office of Trustee, after he shall be so chosen as aforesaid, from any cause whatever, and before the next annual election, it shall be lawful for the said Board of Trustees to direct a new election to be held in the district where such vacancy shall occur, to supply the same; which election shall be conducted in all respects, like the annual election, by inspectors to be especially appointed therefor. And in case any such vacancy shall happen in the office of the President of the said village, or of the Assessors of the same, the said Board of Trustees shall and may, forthwith, proceed to supply such vacancy, by nominating and appointing some suitable person to assume and discharge the duties of such office, so vacant aforesaid ; he first taking the oath herein before prescribed. And, in case of the temporary absence from the said village of the President of the same, the said Board of Trustees shall appoint from their own numbers a President pro-tempore, who shall, during such absence, preside at the meetings of the Board, and discharge all the duties appertaining to the office of President—*provided* that such appointment shall not disqualify the person so appointed from acting in the capacity of Trustee of said village.

W. K. NORTHALL, JUN., DENTIST,

No. 79 Fulton-street, Brooklyn,

BEGS to refer those Ladies and Gentlemen, who may require his attendance, to the Rev. Mr. M'Ilvaine, Brooklyn, Valentine Mott, M. D., and Daniel Lord, M. D. of New-York.

Mr. N. has certificates from the following gentlemen in England, viz:—W. S. Cox, Esq. Professor of Anatomy, in the Birmingham School of Medicine; John Ercles, M. D. Lecturer on the practice of Physic; to Dr. Richard Pearson, M. D. Lecturer on Materia Medicine and Medical Botany; to Dr. Birt Davis, M. D. Physician to the Fever Hospital, Birmingham; Joseph Hodgson, Esq. Senior Surgeon to the Birmingham General Hospital; T. K. Booth, M. D. Senior Physician; to Dr. Aaron Davis, M. D. Radnorshire; Rev. George Hall, Vicar of Tenbury, Worstershire, Rector of Rochford, Herefordshire, and domestic chaplain to Lord Brougham and Vaux, the Lord High Chancellor of England. May, 1832.

JOHN PELLETREAU,

HAIR DRESSER,

INFORMS his friends and the public, that he has removed to No. 141 FULTON-STREET, where he continues the HAIR DRESSING BUSINESS, as usual. May, 1832.

CIRCULAR.

S. W. FRISBIE, at Apothecaries' Hall, No. 67 Fulton-street, a few doors above Hicks-street, Brooklyn, being convinced that knowledge is wealth as well as power, takes this method to inform the inhabitants of Brooklyn and its vicinity, that he now sells *Drugs, Medicines, Cosmetics, Perfumery, Fancy and Useful Articles, &c. &c.* at the lowest possible rates, having recently very much reduced his retail prices and increased his stock of goods, especially in the perfumery and fancy department. Those of the French, imported by Messrs. Bailey, Ward & Co.; and those of American manufacture, from Mr. N. Smith Prentiss, the great American amateur in perfumes.

☞ All articles sold by S. W. F. are warranted to be of as good a quality as can be obtained here, or in New-York.

N. B. Particular attention will be paid to putting up Prescriptions with accuracy.

S. W. F. manufactures and sells at the lowest prices, Seidlitz Powders, Soda Powders, Blister Plaister, Mercurial Ointment, Black Varnish for Leather, and the various Patent Medicines mostly in use.

S. W. F. also having been appointed Sole Agent for Long-Island, of the *American Hygeian Vegetable Universal Medicines*, would inform the public that these medicines are warranted in all respects to be equal (if not superior) to the British article. Hundreds have tried these pills, have been benefitted by them, and are ready to come forward and attest the same. They are sold at the same price per package as the British, but they contain double the quantity of pills; consequently it makes them at half price. When will the people of this enlightened republic open their eyes a little wider, so as to see the imposition that is practiced upon them by foreign mercenaries? When will they refuse to *gulp* down a medicine *purporting to be of foreign manufacture*, and at an enormous price, merely because a swaggering, bombastic foreigner—an animal hatched from an English dung-hill, who has assumed to himself a long string of empty, unmeaning titles, enough to disgust and sicken every person of common sense, tells them that they are the best medicines in the world? I would again say to the public, upon the word and honor of an American citizen, of one who does not expect or wish to make a fortune out of the *gullibility* of the American people, that these pills are as good and as efficacious, as the British; and double the number may be had for the same amount of money.

☞ Any person wishing to become a Sub-Agent, for the sale of these Pills, will please make application as above.
